MICRONEEDLING

SAVE MORE THAN 25%!

Some information:

According to a 2009 study, almost 100% of micro-needling participants reported a vast improvement in the appearance of their acne scars after treatment.

Microneedling (collagen induction therapy) is a secret weapon used by our practitioners to turn back the age clock and correct your damaged skin.

At Ola Bella Medical Aesthetics & Beauty Clinique, we offer the latest technology and non-invasive methods of care to rejuvenate and improve the appearance of your skin. Microneedling is done in-office and involves little to no pain, side effects, or need for recovery.

What is Kaolin Clay?

Kaolin clay becomes a smooth paste when combined with water, and its tiny crystals gently exfoliate and refresh the skin. Since it is so gentle, kaolin clay is a fantastic cleanser and detoxifying treatment for sensitive skin. With long term use, kaolin clay can cause your skin to appear more toned and tightened, reducing fine lines and wrinkles.

Kaolin Clay Mask Facial!

BUY 1 GET 1 FREE!

The clay is a gentle cleanser for any skin type, extracting impurities and absorbing excess oils without causing inflammation or redness. Many people use kaolin clay for acne and for treating breakouts.

- **SOOTHES SENSITIVE SKIN**

Exfoliating Sugar Body Polish

BUY 1 GET 1 FREE!

Our Exfoliating Sugar Body Polish is an excellent choice if you are looking for an invigorating treatment that gives lasting results after you leave the spa. A sugar scrub is a less abrasive choice of scrub and is therefore suitable for most skin types. The natural ingredients ensure that it is safe for even sensitive skins.

FOR FRESH LOOKING, FULLY REJUVENATED SKIN

Purchase an Exfoliating Sugar Body Polish for **only R395 and GET THE SECOND ABSOLUTELY FREE!**

This skin treatment is perfect for anyone having dull, dehydrated and lifeless looking skin. Focussed on delivering instant hydration using non-invasive methods and minimal downtime. This promising in-clinic skin treatment will definitely give you the festive glow of your dreams.

Skin Booster Facial Injections

SAVE R700!

Skin Boosters are micro-injections of hyaluronic acid injected into the skin. Hyaluronic acid is a natural moisturising factor found in the skin, muscle and joints. It has the ability to draw 1000x its own weight in water and retain the water molecules within itself. This ensures deep and natural hydration of the skin from within.

PROMOTES NEW COLLAGEN!

Purchase a face Skin Booster for **the incredible price of ONLY R2500** and **SAVE AN INSTANT R700!**
